

To whom it may concern,

The Parks and Recreation Commission of the City of Whitehouse is planning a Kid's Day in City Park on May 14, 2011. We want to encourage every organization and business that has to do with the children of the Whitehouse area to be a part of this day. We would like to make sure all organizations are able to let the parents know what is available for their children in Whitehouse, Texas. The cost is nothing but the rewards could be great for you and the children of this town. We also encourage you to have an activity to do.

We want your business or organization to be a part of this to introduce your company or group to the parents and children. We want the parents to know what is available for their children and to meet those responsible for that organization. Kid's Day will be from 9 am to 1 pm at City Park on Main Street (FM 346 East). If you are interested in being a part of this event please contact Don Branam (City of Whitehouse Parks and Recreation Commission Chairman) at 903-372-4460 to get information for the day's activities.

Don Branam
