

WELCOME

Shahan Park Master Plan Open House February 10th, 2025

SHAHAN PARK

Project Overview

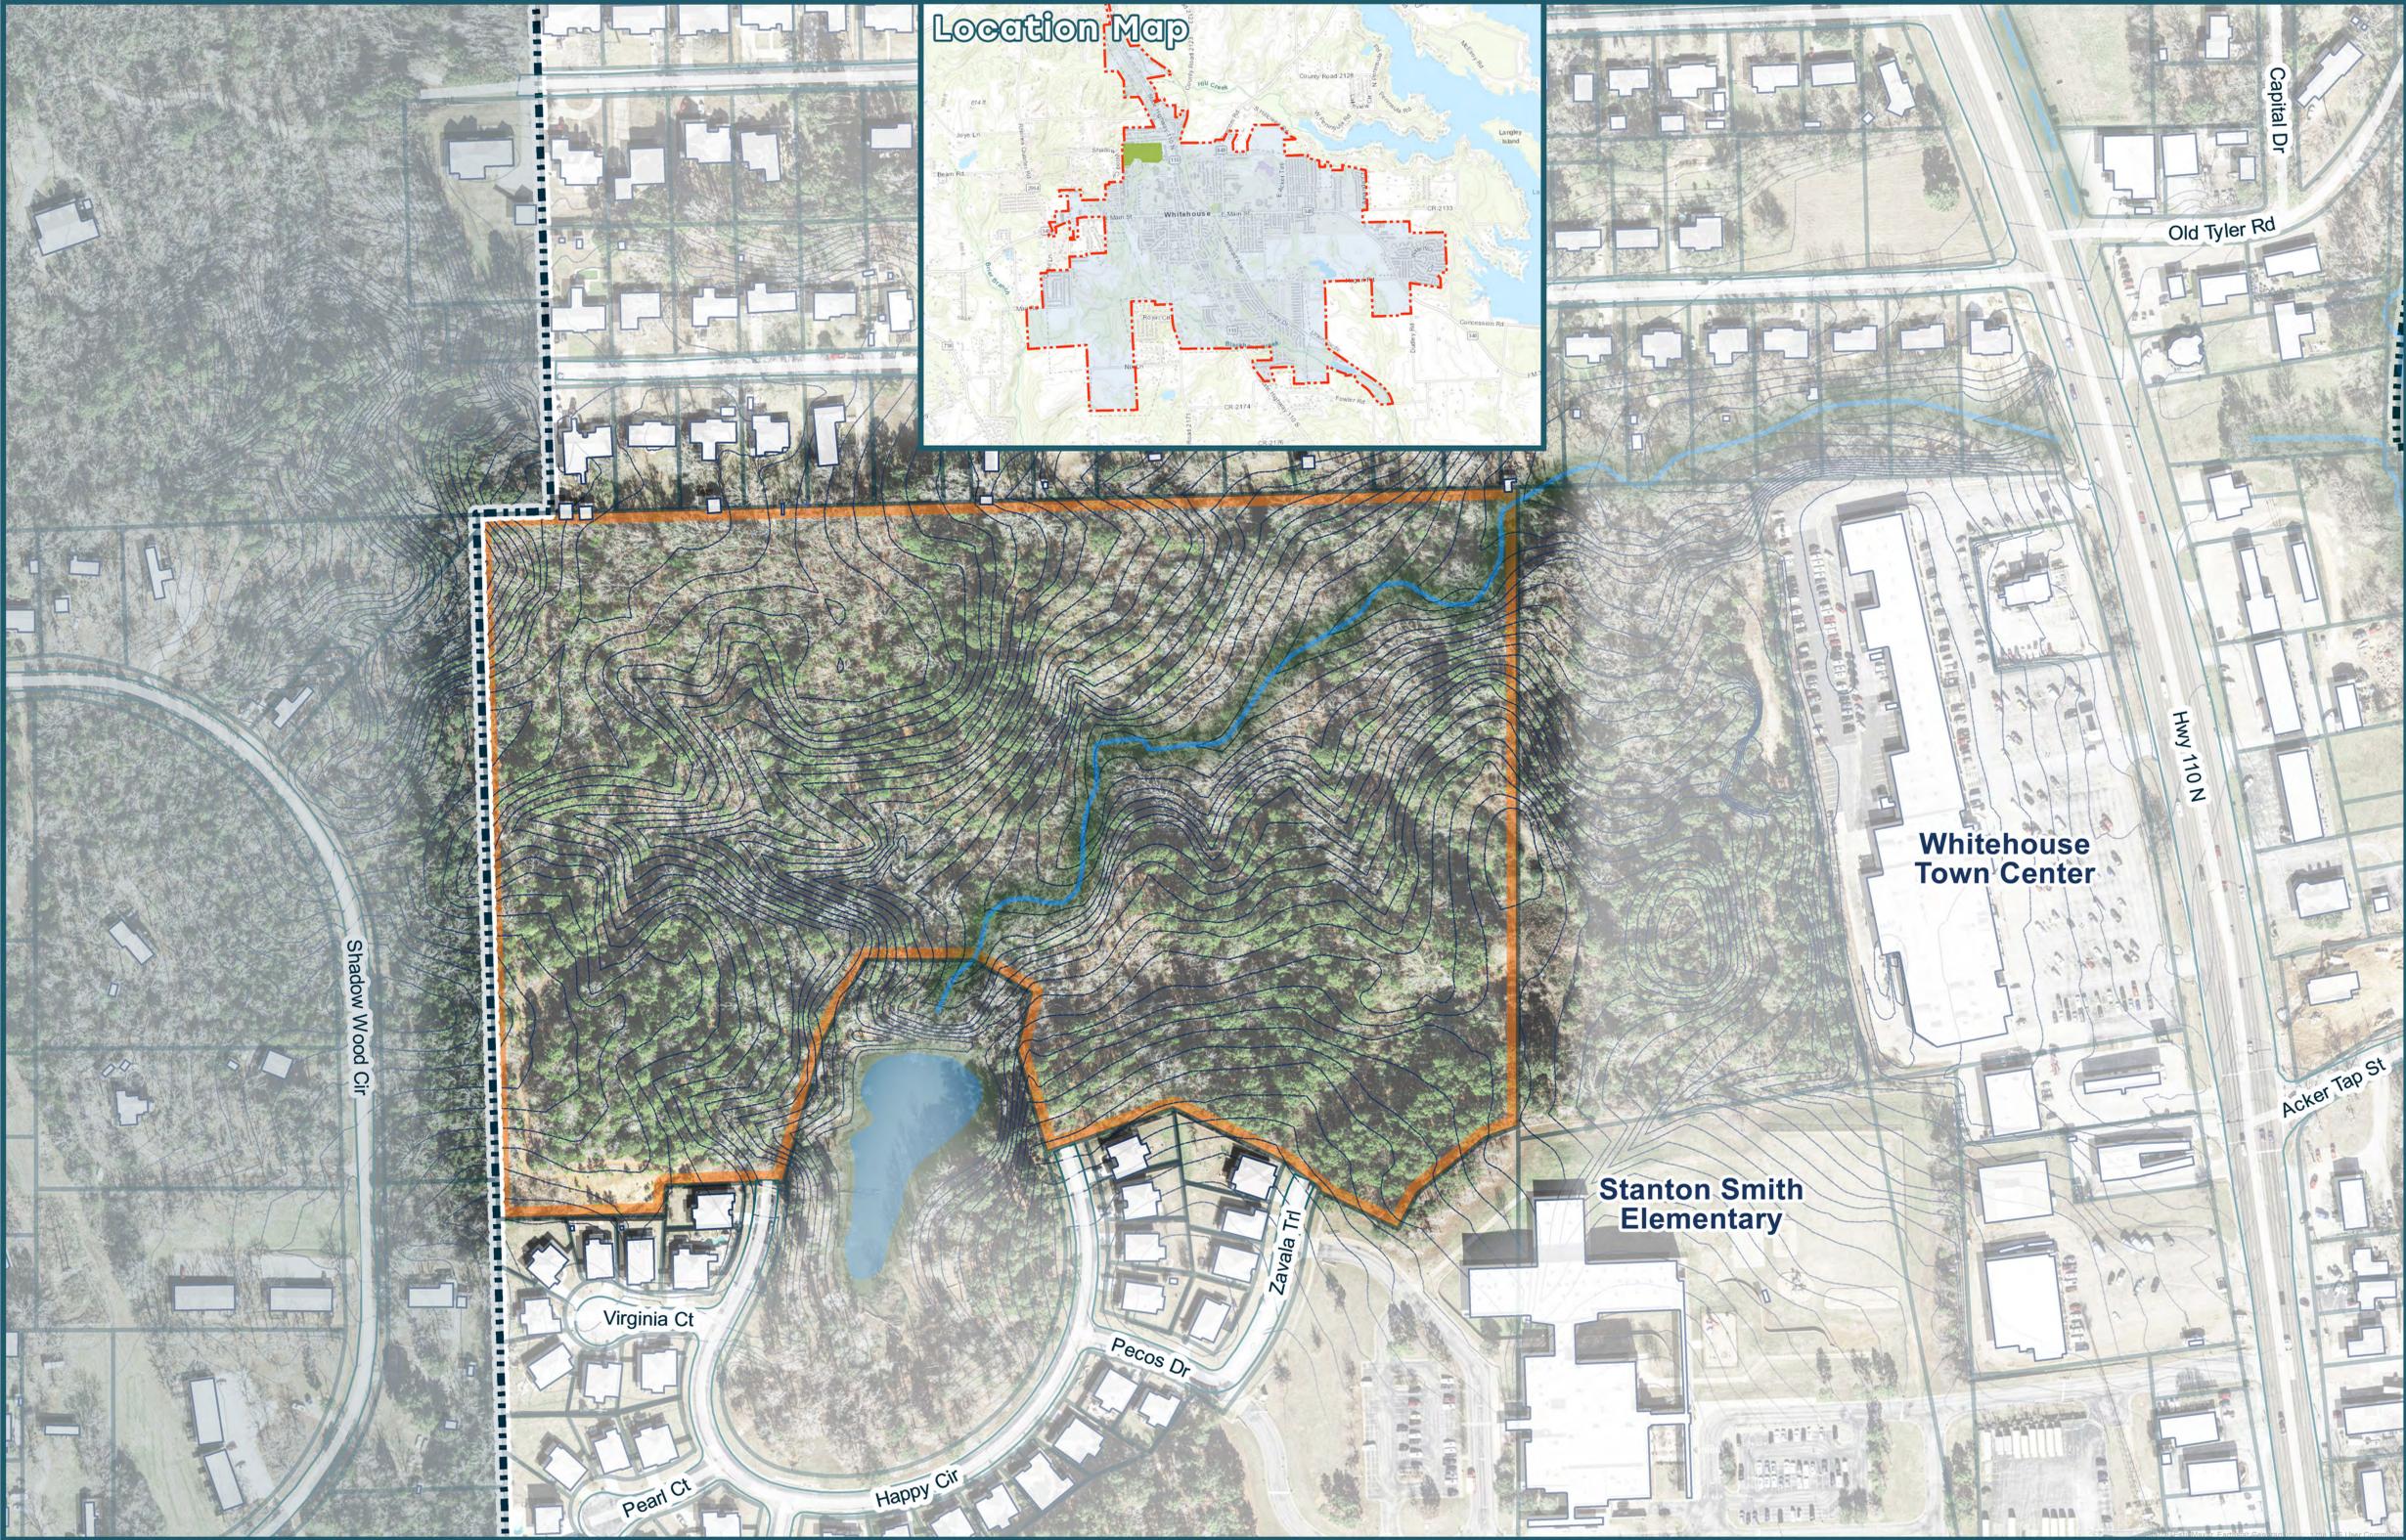

1. The City of Whitehouse has contracted with Halff to provide professional planning and design services necessary for the preparation of a Master Plan for Shahan Ranch Park. The study area is approximately 34 acres, refer map on next board.
2. The Master Plan will be a visionary framework to guide the future development of Shahan Ranch Park, including its:
 - a. Programming
 - b. Facilities
 - c. Features
 - d. General Layout
 - e. Funding Requirements
 - f. Potential Implementation Strategy
3. Goals:
 - a. Assess community preferences and identify desired characteristics and factors that will shape the park.
 - b. Evaluate opportunities and constraints based on analysis of the project site.
 - c. Complement goals associated with the Whitehouse Parks and Recreation Master Plan.
 - d. Create a defined action plan for moving forward development of the park.
 - e. Build consensus and commitment amongst the community.

Schedule

- **December - January**
Site Analysis and Data Collection
- **January**
Pre-Engagement
- **February**
Community Engagement Round 1
- **March**
